March 22, 2020

Warmly, we'd like to address the current situation:

We appreciate your support and patience during this very trying time for all of us. We have taken some time to consider our options and present them to you.

We'd like to honor our contracts with our valued customers. If we have a contract with you and your event date is being affected by current state mandates and closures, we are allowing you to reschedule your event to another available date this year. No money will be lost.

Alternatively, consider using your deposit for a small civil marriage of less than 10 people if you'd like to stick with your current date. We will provide one staff member, rehearsal, chair set up and take down and one- and one-half hours of time. This could be a great opportunity to bring your photographer and take some beautiful photos. Maybe you order that beautiful bouquet, too.

You are welcome to call and speak with the owner, Jane, for questions at 801-785-2111.

Many have already rescheduled to another date this year and others have decided to stay on the schedule and abide by the current government guidelines.

We are happy to continue business via phone and email and are still available for tours given we follow the guidelines of social distancing and we keep our meetings and tours to under 10 people.

We will do our best to maintain a clean and sanitized facility to keep you and your families safe.

We love and respect you all. Our warmest wishes as we navigate this together.
